HORTICULTURAL DEPARTMENT.

Agricultural College, B. Q..

Ingham Co., Mich. Apr. 19 1888

My Dear Mr. Watson:

I have in my possession a valuable and handsome paper on American Grapes by Professor Munson. He says that you wish to see it. I shall make an abstract of it for my own use, and then send it to you - in two or three weeks. Or if you need it sooner, will try to make my abstract at once.

I have accepted the new chair of horticulture at Cornell.

Yours truly,
F. H. Bailey
